

**One Weekend Only!**  
**The Lucid Body Acting Technique 2-day Intensive**  
*in Kansas City, MO*

*"The actor's job is to portray life in all its many glorious and horrific guises."*

*~The Lucid Body, A Guide for the Physical Actor*

Using concepts of yoga, modern dance, and Jungian psychology, The Lucid Body Technique is up on your feet, out of your head, exciting, invigorating work, for the anyone striving for authenticity.

It offers a process that will allow an actor to bend and morph into the multifaceted characters that can handle the gravitas of the Greek tragedies and the unfettered silliness of Broadway's musical comedies.
